

A Message from the Chief

Every year, thousands of people head to the marshes to carry on a centuries-old tradition: duck hunting. They brave the biting wind and frigid waters, driven by a passion for the outdoors and the spirit of the hunt. In that same spirit of "Aiming High," we invite you to join Arrowmen from across Section E6 to celebrate our successes and recommit ourselves to the ideals of fellowship and cheerful service.

At Conclave, you will be able to participate in ceremony competitions, Quest games (tug-of-war, volleyball, ultimate frisbee, & Wischixin), and many more activities and win points for your Lodge! Lodges with enough points will be awarded with the Honor Lodge Award.

You'll also be able to take part in fellowship and patch trading with arrowmen from Alabama & Georgia! Conclave will also feature both a live & silent auction, Tailypo festival, and exciting shows!

At Moundville Archaeological Park, you'll be able to explore 326 acres where, 800 years ago, Mississippian people constructed 29 massive flat-topped earthen mounds, arranged carefully around a vast central plaza. Also be sure to visit the on site museum containing artifacts excavated from the site, and the scenic walk trails on the banks of the Black Warrior River!

We hope to see you there!

Yours in Scouting,
Stephen Leach
Section E6 Chief
